Child sexual exploitation (CSE) is a form of sexual abuse that involves the manipulation and/or coercion of young people under the age of 18 into sexual activity, sometimes in exchange for things such as money, gifts, accommodation, affection or status.

SPOT THE SIGNS:
- Becoming especially secretive
- Stopping engaging with usual friends
- Associating with older men and/or women
- Going missing from home
- Defensive about location and activities
- Receiving odd calls and messages
- Possessing new, expensive items

One sign on its own does not mean someone has been exploited, but several signs together should give you cause for concern.
